### Terms & Conditions of booking

IT IS STRICT POLICY THAT ONLY FULLY VACCINATED CATS ARE ELIGIBLE FOR BOARDING AT THE BROOK LANE CATTERY.

All cats must have an up-to-date record card of their vaccinations for Feline flu and Enteritis, which must be brought with you on arrival. The card will be photocopied and kept on our records. First vaccinations should be given at least 4 weeks before boarding.

It is also recommended that cats are wormed and treated for fleas before they are boarded.

Cats over 6 months must be neutered.

### Veterinary Treatment

The proprietor has the right to seek veterinary advice for any cat which develops signs of illness whilst boarded.

The cost of any such veterinary care will be payable by the owner on collection of the cat/cats.

The cattery is fully licenced by Fareham Borough Council. We provide a friendly, caring, high standard service for your cat to ensure they have a happy stay with us giving you peace of mind.

All reservation deposits are non-refundable.
